Research Project Title:

Research Project Description (maximum 250 words):

Terms:

Further authorizations required by the Italian "Code of Cultural Heritage and Landscape", under Legislative Decree No. 42, dated January 22, 2004, and its subsequent amendments, regarding the reuse of the picture.

This image reproduces a property belonging to the Italian cultural heritage as entrusted to the Italian government. Such images are regulated by Articles 106 et seq. of the Italian Code of Cultural Heritage and Landscape under Legislative Decree No. 42, dated January 22, 2004, and its subsequent amendments. These regulations, unrelated to copyright regulations, establish a system for the protection of Italy's historic and artistic heritage and its standards of dignity. Among other things, these regulations provide for the payment of a concession fee by those who intend to benefit economically from reproductions of property belonging to the Italian cultural heritage. Reproduction of this image is permitted for personal use or study. A further authorization by the Italian Ministero della Cultura (MiC) is required for reproduction for any other purpose, and particularly for commercial use. Such commercial use includes, but is not limited to, use in (a) any form of advertising, and (b) any company name, logo, trademark, image, activity, or product. If that is the case, please send a formal request to the Soprintendenza Archeologia, Belle Arti e Paesaggio per le province di Imperia e Savona.

Accessing CT scans:

- 1) The licensee can download the encrypted CT image stacks of any specimens they would like.
- 2) Upon submission and acceptance of this application the licensee will be sent encryption passwords that will provide access to the CT image stacks.

Acknowledgements:

The licensee should include the following statement in the acknowledgements section of any publication or similar that uses the CT data or any digital files derived from the CT data:

For access to CT scans from [add relevant site names] we thank the MiC-Soprintendenza Archeologia, Belle Arti e Paesaggio per le province di Imperia e Savona, the Museo Archeologico del Finale, and the Department of Human Evolution, Max Planck Institute for Evolutionary Anthropology, and human-fossil-record.org.

Digital Signature:

The typed / written signature of the Assignee indicates that all stipulations mentioned in this Agreement have been read, are clearly understood, and will be adhered to.
